CLASS – III
SUBJECT – GENERAL SCIENCE

Q.1 Imagine and draw your own colourful nature world in the notebook that shows natural and man-made things and write five sentences about your picture.

Q.2 List down any five man-made things in your notebook which are produced by the natural things.

CLASS – III
SUBJECT – SOCIAL STUDIES

1. Project – States and Capital puzzle

Activity – Match the states with their capitals.

Instructions:

- * Make colourful slips of different states of India and their capitals.
- * Use the same colour for a state and its capital.
- * Mix the slips and then match each state with its correct capital.
- * Paste it in colourful A4 sheet.

Example :

- * Rajasthan – Jaipur (same colour slips)

2. Project – Map skill

Activity – Draw and colour map of India

Instructions:

- * Draw the map of India.
- * Mark and colour
- * Your state (write the name of your state)
- * Neighbouring countries.

Note – Make a separate project file for the given activities and write your Name, Class and Subject on the first page.

Kindly use paper or handmade file only.
